# MX SELECT EVO ADJUSTABLE TRAINING BENCH

The **MX Select Adjustable Training Bench** has six backrest positions, from decline, through flat to multiple incline positions. Extra-long backrest with wide lumbar support.

The **MX Bench** is the perfect compliment for MX Select Rapid Weight Change Dumbbells and Barbells. This fully adjustable bench (-5 to + 85 degrees) provides firm support for all your seated and prone exercises.

The **MX Bench** is upholstered with Textured Fabric that offers surface protection against bacteria, mould & mildew, and other hazardous microbes. The backrest is shaped for added comfort and stability.

Lifting the **MX Bench**, using the handle on the front leg, engages the transport wheels on the rear support, allowing you to easily and safely position your bench wherever you need it.
