

TRX SUSPENSION TRAINING®: TRX® Tactical System

SKU: FTKMG3

TRX®

Our toughest design for your toughest training. Rugged and outdoor-ready, our most durable strap design withstands 365 days of rain, cold, and sunshine and takes on your most high-volume training. This design is military-grade because it's designed with the military in mind, where grit and durability and ease of use are key to staying strong and fit no matter where you are.

- Ultra-durable and military-grade for the toughest environments—plus high-volume training.
- Sets up in seconds
- Carabiner clips to anchor of choice
- Locking loop design keeps straps even
- D-ring sliding adjusters
- Adjustable cradles for a custom fit
- Comfortable padded handles can accommodate combat boots
- Packs light, goes anywhere
- Strength, cardio, mobility in one
- Comes with free trial to TRX Training Club®
